HEARTLIGHT AT THE HARBOR

THURSDAY, JUNE 9
BUFFALO OUTER HARBOR

Featuring
NERDS GONE WILD
A MESSAGE FROM THE C&FS PRESIDENT AND CEO

I am delighted to welcome you to Heartlight at the Harbor, Child & Family Services’ first in-person event in almost three years!

It has been a long journey to arrive at this night. I am proud to say that we have not only endured the challenges of the last few years, but our work has flourished. We instituted a Rapid Rehousing Program at Haven House to help survivors regain stability more quickly. We added telehealth services to ensure our clients did not have to navigate anxiety, depression or other challenges to their mental health by themselves. We established additional programs to further bolster our care of children and stabilize families. At the Stanley G. Falk School our students, faculty and staff demonstrated remarkable tenacity through their perseverance and growth in difficult and ever-changing circumstances. We continued our organizational efforts toward race equity by creating a thorough diversity, equity and inclusion plan of action for the Agency and the Stanley G. Falk School. We created a Leadership Acceleration Program, designed with a keen focus on cultivating a variety of voices and skill sets. Our DEI plans also include a strong focus on the utilization of data in order to track our progress and remain accountable for the outcomes of our efforts.

While I would like tonight to be a celebration, I would be remiss if I did not acknowledge the May 14th shooting on Jefferson Avenue. The racist violence committed against the Black community was abhorrent. To directly support our families during this critical time, we have established the Buffalo Families Fund. We have already assisted by providing groceries, formula, diapers, gas cards, Uber and Lyft gift cards, basic security cameras, and other unique purchases to help stabilize families. Please consider donating by scanning the QR code on the next page. We will be here to support and empower our families for the long-term.

Thank you for your unwavering support of our organization and those we serve. Our team has put together a fun night of 80s nostalgia headlined by Nerds Gone Wild. We are thrilled to see you in person, and hope you enjoy yourselves!

Welcome back to Heartlight!

Elizabeth McPartland, LMSW, MBA
