About Haven House

Haven House was founded in 1979 by the Coalition for Victims of Domestic Violence (now known as the Erie County Coalition Against Family Violence).

For nearly 45 years, Haven House has equipped survivors of domestic violence with tools and resources to stop the cycle of abuse, supporting them as they build a violence-free life and new legacy.

A program of Child and Family Services, Haven House is just one aspect of the support it provides to Western New York individuals and families in crisis.
