Adopt-a-Family

We invite you to partner with Child and Family Services through a corporate sponsorship to our **Adopt-a-Family** program as we bring joy and relief to families in need.

With the support of our dedicated corporate partners like you, we provide gifts and essential resources to over 1,100 individuals served by our agency – families who might otherwise go without. In addition, we collect funds and gift cards that help sustain our programs and families throughout the entire year and fulfill needs such as beds and mattresses. We continue to grow this much needed program every year and we cannot do it without your support.

This year, Adopt-a-Family will be our sole and primary fundraiser; we will not be seeking support for Heartlight. Your sponsorship will impact local families. Together we can make a difference in their lives. To learn more, please watch [this video](#).
