

Child Family Services

Haven House

Every year, Haven House depends on the support from its corporate partners to continue providing the lifesaving programming domestic violence victims need to find a life free from violence.

This past year, Haven House has been challenged with critical funding cuts on both the state and federal levels. For this reason, we are looking for corporate sponsors who will partner with Haven House throughout the year to ensure we can continue to meet the need for more than 200 victims in the shelter and over 1,600 who come to Haven House for counseling.

Sponsorship dollars help Haven House provide essential services such as clothing, personal hygiene items and bedding for individuals, children and their mothers living in shelter. In addition, financial support ensures survivors have guidance and advocacy they need while navigating the criminal and civil court systems. Our advocates provide vital legal assistance at a time when seeking safety can initially increase risk. Maintaining these lifelines is absolutely necessary. Every year, over 1,500 survivors receive assistance through our Court Advocacy Program.

Please consider becoming a corporate sponsor with Haven House. There is no greater benefit than helping save a life. Thank you!
